

Mint Strawberry Lemonade

By: Andrea | *Cooking with a Wallflower*

Ingredients:

¼ cup lemon juice
1 cup water
2 tablespoons sugar
6-8 sprigs mint
1 large strawberry, chopped
4-5 ice cubes

Yields: 1 drink

Directions:

Squeeze the juice of one large lemon into a glass to form about ¼ cup of lemon juice.

In a small pan, heat water, sugar, and 6-7 sprigs of mint. Stir to dissolve the sugar into the water. Allow the sugar water to simmer for a few minutes before removing from heat. Let the mint sit in the hot water for several more minutes until it has cooled.

Remove the mint from the sugar water once it has cooled down a little. Pour the sugar water into the glass of lemon juice and stir.

Add chopped strawberries, leaves of a sprig of mint, and 4-5 ice cubes.

Allow the strawberries to sit in the lemonade for a few minutes to allow the sweetness of the strawberries to diffuse into the lemonade.

Serve cold.

Enjoy!
