

Tropical Guacamole

By: Andrea | Cooking with a Wallflower

Ingredients:

1 large avocado, ripened
1/2 cup strawberries, chopped
1/2 cup mango, chopped
2 tablespoons passion fruit juice
Pinch of salt to taste
Crackers or chips

Yields: 2 servings

Directions:

Slice an avocado in half and remove the pit from the center. Use a spoon to carve the avocado from its outer shell. Mash the avocado until it becomes smooth.

Add passion fruit juice. If you don't have passion fruit juice, you can omit it. Mix until the juice is evenly incorporated in the mashed avocado.

Chop up strawberries and mangoes into bite size pieces until you have a 1/2 cup of each.

Add the fruits into the avocado and mix until evenly distributed.

Season the guacamole with salt to taste.

Allow the guacamole to chill for 20-30 minutes.

Serve in individual servings with chips or crackers.

Enjoy!
